November ART Challenge

November's Art Challenge theme is "November". What will you create that reminds you of November? Is it a turkey, fall leaves, being Thankful, snow, or just the colors of orange, brown and yellow?

Show us what you think of when you hear November. We'd love to have you post your work in progress and completed artwork on our Facebook page and tag

#parrishartscouncil on Instagram. Express and share your creativity. We are looking forward to see what everyone shares. For more information, check out the Call to Artist link on our website parrishartscouncil.org. If you have an idea for a future challenge, contact us, getinvolved@parrishartscouncil.org.

Exhibitions

It's been a busy time this summer with our exhibitions and we love it! It is great to see the opportunities and the artists that are participating.

Currently we only have our Photography Competition Exhibition "**Reflections**" at the Rocky Bluff Library still on display through the end of the year. Stop by during their normal business hours to see the awesome and talented local artists. Artwork may be purchased by contacting the artist. We are currently working to line up our exhibitions for the upcoming year along with the themes. If you have a theme, let us know.

Thank you to the Rocky Bluff Library for hosting and Foto Dono for jurying the exhibition!

Updated Artwork!

We are in the need of some updated artwork from our members. We only use this in promotional items, our website, the PAC News, Facebook and Instagram. It is a good way to share what you love to do with others.

ArtConversations!. Our last ArtConversations for 2021 will be November 5th for the Artfully Angels Holiday cards. If you have suggestions or want to do a teaching, please let us know. If you are interested in doing roughly a 1 hour training/teaching session, let us know. You can supply the supplies or create a list of supplies. Remember it is a short time and no one is expecting a full project. It could be just a skill you want to share.

We've done a sunflower with watercolor pencil. Finished size was 5x7 and the class was an introduction to watercolor pencils for some.

Artist's Tip of the Day: Using a coloring book is a good way to relax and free the mind. Be sure to add your tips to our Facebook Page. If you have any subjects you'd like to get tips on, ask us on Facebook or email us at getinvolved@parrishartscouncil.org
