# PAC FAQs

## Who is The Parrish Arts Council?

The council consists of a group of community-minded people who want to showcase both Parrish artists and the community's rich heritage. We enjoy bringing art to the community, as part of building a strong foundation for supporting the arts and preserving Parrish's history. The Parrish Arts Council began this mission in 2012, and as membership has grown, so has community interest and support. The council has made a positive impact on the community where we work and live.

## What is East2West Art Market?

The market is a juried show where artists will be selling original artworks, in order to promote local artists and bring arts to the community. The name "East2West" originally came about with wanting to include artists from the eastern Manatee (Parrish) to the West Coast of Manatee. Admission to the market is free. All proceeds from booth fees go back into the community through outreach programs and events.

# SPONSORSHIP
